

Billy Tea Safaris is a family owned company established in 1981. We are an Advanced Eco Accredited Tour Operator and conduct 4WD, personalised tours to Daintree, Cape Tribulation and Chillagoe.

Our vehicles are custom built, primarily for passenger comfort, but also to withstand the rough terrain of the Bloomfield Track beyond Cape Tribulation and for our Chillagoe tour. The vehicles are fitted with air-conditioning, first aid kits, UHF two way radios, mobile telephones and all vehicle seats are forward facing with seat belts.

Our company prides itself on its informative tours and we encourage questions. Our highly experienced and knowledgeable guides constantly undergo in-house training to provide accurate, informative, relevant and current information for our guests. We have ample time for photographs and to explain any queries you may have.

CAPE TRIBULATION DAY TOUR

Chillagoe CAVES & OUTBACK

INCLUDING MT UNCLE DISTILLERY AND MAREEBA WETLANDS

Your environmentalist guide will meet you at your accommodation and after introductions all round, we'll ascend the McAllister Ranges and head west towards Mareeba embarking on a remarkable journey back to prehistoric times, when dinosaurs ruled the Earth.

Our first stop is Mareeba Wetlands and Jabiru Safari Lodge (Advanced Eco Tourism Accredited) for morning tea and a twenty minute cruise in an environmentally friendly and quiet electric boat. Birdlife is plentiful on the wetlands.

From here we travel through the back blocks of this wetland area viewing wallabies, emus and other wildlife and then along the agricultural paddocks of this fertile area, eventually crossing over the Great Divide and into the Western watershed. You will also learn about Aboriginal Culture, and Bush Tucker relevant to the area. Travel through historical towns and rolling hills rich in minerals eventually giving way to towering limestone karsts scattered around Chillagoe. Here we delve into the history of the copper smelters, whose old chimneys dominate the western horizon. We visit the remains of the once mighty smelters to ponder what it was like working there... Now it's time for a unique outback pub lunch before setting off for our National Parks cave tour. The fossilized remains of the ancient coral reefs with hidden limestone labyrinths give a portal to a lost world just like our own Great Barrier Reef. Millions of years in the making, the limestone formations are nothing short of spectacular.

After the cave tour, we head back towards the east coast, stopping at Mt Uncle Distillery for a choice of tea/coffee, delicious scones or possibly a wine or beer at Bridges Cafe (own cost). You can also enjoy a taste testing of their award winning premium liqueurs and spirits (own cost). The tour then returns back down the range arriving back in Cairns at approx 6.30pm.

DEPARTS CAIRNS AND NORTHERN BEACHES:
Mondays, Wednesdays & Fridays

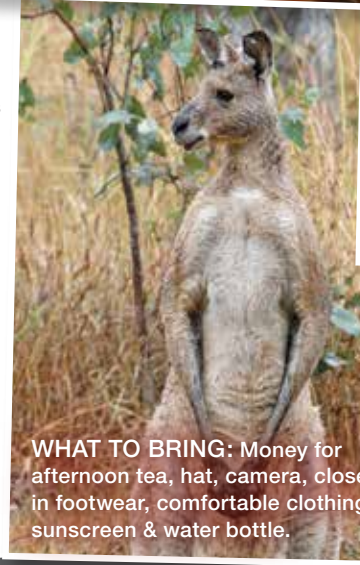

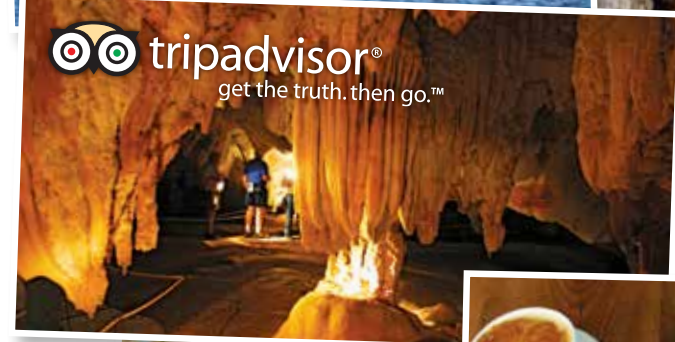

TOUR INCLUDES

- Environmentalist driver guide
- Courtesy pick-up and return (Cairns to Smithfield)
- Custom-built, high clearance, air-conditioned 4WDs
- Mareeba Wetlands
