AWESOME ADVENTURES FIJI

BULA!

(hi!) from us at Awesome Adventures Fiji

We're an experienced operator and multiple winner of the "Fiji Excellence in Tourism" award. All vessels are fully licensed and the staff trained to adhere to stringent safety requirements. Our name says it all -

we'll show you the "real" Fiji

and a truly awesome time all set in the beautiful Yasawa Islands.

We get you in: But we don't do guided tours!!

We've put together a bunch of packages and passes. On the awesome packages the best properties are chosen and everything is pre-booked and organised for you, making your adventure really easy. You'll bump into folks you've already met as they journey along their similar itineraries.

If you need a hairdryer, this is not for you

Accommodation is not in luxury resorts, but in basic to standard properties set in stunning locations. You'll mix and mingle with the locals whose home it is. The resorts are not owned by Awesome Adventures and standards vary from property to property and week to week but we do monitor them and we have our own staff moving around all the time to try to ensure everything is as it should be.

eating One of life's necessities and great pleasures

We've included meals in the packages (except where stated) because eating at the resort you're staying in is the only choice - there are no restaurants around the corner. Meals are served at specific times of the day e.g. breakfast 8am - 9am. This provides an opportunity to check out the talent - sorry, we mean meet fellow travellers. Meals are simple and filling. We recommend vegetarians inform the resort on arrival. And of course there are always bananas and pawpaw.

VINAKA FIJI

YASAWA TRUST FOUNDATION

VINAKA FIJI – making a difference

The Yasawa Trust Foundation was established in 2010 to formalize and further the work and economic assistance provided by the owners of Awesome Adventures to the people of the Yasawa Islands Region.

The name of the assistance programme “Vinaka Fiji” was chosen to reflect the two way nature of the relationship between those who operate and assist the Trust and the people of the Yasawas whose work it benefits. Each by their actions is inherently saying “Thank you” / “Vinaka”. For the Founders of Awesome Adventures and those involved in the Trust this is their way of saying “Vinaka Fiji” to the people of the region for all the pleasure and enjoyment they have derived from there.

Through the “Vinaka Fiji” programme the Trust aims to improve the provision of basic needs and amenities, often taken for granted in modern society, yet missing from village life in the Yasawas. It seeks to do this both through direct aid and by acting as a facilitator, bringing those who can help - companies, Government, Aid Agencies and individuals together with the landowners and residents.

The key focus of “Vinaka Fiji”, in order of priority, will be on infrastructure and associated needs in the areas of:

Water / Power / Education / Health.

The Trust actively seeks additional funding for its projects from third party sources. It remains a key principle of the Trust that the majority of the funds raised will be spent on the cost of the specific projects.

The Trust also encourages you the visitors to the Yasawas to participate in the Volunteer work programmes. It is a great way to become more involved in the island life of the Yasawas, to lend a helping hand to people in need and make a difference through your travel.

How can you help?

- **By making donations** – collection boxes are on board Awesome Adventures and South Sea Cruise vessels and in the Port Denarau Sales Office. Donations can also be made online at www.vinakafiji.com.fj/donations
- **Volunteer work** – whilst we have need of skilled tradesmen, nurses, doctors and teachers our Volunteer Programmes are open to anyone who would like to join in and assist on our projects.
- **Voluntouring** – an enormously rewarding way to experience the Yasawas is to combine some volunteer work with your Awesome Adventures holiday. See our website www.awesomefiji.com or contact us for more details.

AWESOME ADVENTURES 'YASAWA FLYER' - - -
SOUTH SEA CRUISES' FERRIES - - -

THE FIJI ISLANDS

'Paradise' – we know the word gets used pretty loosely but if it is appropriate for anywhere, it's Fiji. There are over 300 Islands set in crystal clear waters with palm fringed white sandy beaches, lagoons, coral reefs and idyllic places to stay. "Bula" – you'll hear it all the time, it epitomises the warm, friendly outgoing nature of the Fijian people.

Relaxation is big in Fiji but if you're in the mood there are an incredible number of activities – white water rafting, trekking in rainforests, amazing snorkelling and diving, local villages to visit, surfing and even swimming with manta rays (seasonal).

Fiji offers a diverse cultural experience with the Fijian and Indo-Fijian people – their food, their outlook and differing lifestyles. From remote island villages to the

capital Suva (still with its colonial feel) Fiji will provide an endless string of wondrous experiences. One of the most stunning regions is the remote Yasawa Islands group consisting of a chain of 20 ancient volcanic islands. Four of these islands have dramatic elevations with summits just short of 600 metres above sea level. The pristine white sandy beaches and dramatic monoliths surrounded by crystal clear lagoons provide a beautiful environment in which to relax or enjoy the many activities on offer. Awesome Adventures Fiji invite you to share the magic of Fiji. Their expertise and experience ensures you'll leave with a grin as big as a Fijian's!

'Full Monty' Featured Activities

You know how it is when there is something just so good you gotta have it. Well we think these are the "must do" activities in the places we go. To make it easy for you and assure you of a place on these great activities we have put them into what we call the 'FULL MONTY' - they are that package PLUS all the nominated activities or upgrades. Many of the activities are included at special prices. So for a doubly awesome time book the 'FULL MONTY' version of your chosen package.

SEASPRAY DAY SAILING ADVENTURE

A special day aboard 'Seaspray' sailing amongst the outer Mamanuca Islands. Enjoy the crystal clear water for snorkelling and swimming, a traditional Fijian village visit and Kava ceremony (except Sunday). Visit the island featured in the Tom Hanks movie 'Castaway'. All booze, morning/afternoon tea and a barbecue lunch is included. It's a stunner.

LEARN TO DIVE AND CERTIFIED DIVING

Where better to learn to dive than in the sparkling clear, warm tropical waters of Fiji? The coral and fish life you'll see is unreal. All the dive companies we use are certified, experienced and know all the best places to go. If you are already qualified let them show you the many stunning dive sites scattered around the Mamanucas and the Yasawas.

SAWAILAU CAVES TRIP

The boat trip up to the caves is worth doing for its own sake but then there's the magical experience of the caves themselves. No diving is required to enter the main cavern as it's just a few easy steps. But we do recommend you take the option to enter the secondary cavern where you need to swim through an underwater tunnel. It's all a little bit spooky but the guides will look after you and it is 'awesome'.

REEF SNORKELLING/SHARK VIEWING TRIP

Moua Reef is only a short boat ride from the white sandy beaches of Kuata and Waya Lailai Islands. A spectacular site from above and below the water with an abundance of colourful fish and beautiful corals. This outer reef is home to some "friendly" reef sharks, they are harmless so no need to worry! Your local guides hand feed the sharks creating awesome underwater photo opportunities and gets the adrenalin pumping.

'MAI YASAWA' SOUVENIR PHOTO BOOK

A magnificent 80 page book with THE best photos you'll ever see of the Yasawa Islands and the people who call them home. Bonus Offer: all Full Monty Guests receive a copy of this amazing photo book.

ACCOMMODATION

Share twin and double rooms are called Bures, a traditional name for a home with a thatched roof. Not all properties have hot water, but the local water supply is tepid. Properties have generators, so you'll have electricity from sunset 'til midnight. The local power socket is the same as for Australia and New Zealand. Most beds have mosquito nets, and we always recommend bringing along insect repellent!

Where you stay / RIGHT TO SUBSTITUTE PROPERTIES

The places where you'll stay are mainly quite small so it is difficult to always provide you with a specified property. If we specify particular properties that means they are the ones we use most of the time, BUT... reservations systems in the Yasawas aren't always that flash and we rely on phone calls. So on all packages (except the 'Island Stayputs') we reserve the right to put you in another property. It will be of a similar standard and you'll have just as good a time. Occasionally we may even have to swap the order of the nights round or put you on a different island but in all cases we'll provide you with a similar experience. That's just the way it is when you "go local" in the Yasawa Islands.

BOOKING EXTRA NIGHTS

If you're already staying at an island/resort on your package itinerary add as many extra nights as you like. The prices are shown in the 'Island Stayputs' section of the price pages. If you want to add another island/resort that is not included in your package itinerary additional transfer charges may apply. See your agent for details.

WHAT IS A FULL MONTY PACKAGE?

The best activities on offer that most people choose to do while in the Yasawas. Our 'Full Monty' Option is the same Boat / Bed / Meals deal PLUS these activities, and many are included at a special price. See page 4.

PACKAGES OR BULA PASSES?

The easy way - choose one of our great packages combining the transfers, accommodation, meals and key activities and you will save a great deal of time and hassle. If however you are happy to sort it all yourself the 7, 14 and 21 day passes offer unlimited travel within the Yasawa Islands. See page 15.

Our packages may look a little dearer than the 'do it yourself' style with the Passes BUT they are not - they include the better properties (which you pay extra for on the Pass), some extra meals, everything is sorted and the best of all, your accommodation is Guaranteed. There are often times when the more popular properties are full with guests who have booked ahead on Awesome packages.

OPEN DATED BOOKINGS

We know sometimes you are leaving home a long way ahead of getting to paradise and plans can change, so all packages and the passes can be booked on an open dated basis. All you need to do is confirm your arrival date and starting date with Awesome Adventures at least 14 days prior to your arrival in Fiji. Leave it any later and we'll still get you in, but a few changes may be needed.

SUNDAYS

Sunday is a day of rest and church going in the Yasawas. This means that conducted activities are not on offer however you are free to do activities on your own. In most villages you will be welcome to join the church service - an amazing experience.

MONEY

Credit cards and travellers cheques can be used on some islands but not all. If you're on an Awesome Adventures Fiji package between FJ\$30-\$40 cash per day should be enough. For those passengers using the 'Bula Pass' accommodation prices are between FJ\$72-\$110 per night for a dorm (including 3 meals) or FJ\$85-\$200 per person

GOOD STUFF YOU NEED TO KNOW

per night for a share twin/double bure (including 3 meals).

THERE ARE NO BANKS ON THE ISLANDS

The bank at the airport is open 24 hours. Cash machines are available in Nadi and there are two at Denarau Marina. The currency is the Fijian dollar. Be warned - it's a long way back from the Yasawas if you run out of cash!

DAILY DEPARTURES for all packages & Passes

The Awesome Adventures vessel 'Yasawa Flyer', a high speed, modern catamaran, departs Denarau Marina at 8:30am daily for all Yasawa destinations. It returns daily at 5:45pm. South Sea Island, Bounty and Beachcomber are also serviced on this run. Additional departures to these and other Mamanuca properties are also available at 9:00am, 12:15pm and 3:15pm on board South Sea Cruises' vessels. See map inside front cover for island and resort locations.

FREE NADI / DENARAU COACH TO MARINA

We are very happy to pick you up the day of departure for the transfer to Denarau Marina. If you don't book your Nadi accommodation through us you have to advise us where you are staying. If you don't advise us, getting to the marina on time is your responsibility and at your cost.

NEED HELP?

As mentioned the properties you are staying in are not owned by us however we do monitor standards and we do care if things are not right. Please speak to the resort's receptionist or manager first. If the problem is not resolved to your satisfaction then please call us. If there is a problem with your itinerary or travel arrangements then please see the girls at the Travel Desk on the 'Yasawa Flyer' or call us. The Awesome phone number is 675 0499 and it is staffed from 7am to 8pm every day.

This symbol appears throughout the brochure indicating resorts where diving is available. As the daily capacity is limited we recommend you book in advance. See the staff on the Yasawa Flyer Tour Desk.

BULA FIJI 'WELCOME PACK'

Take the hassle out of arriving in Fiji

Avoid the airport touts and the chance of ending up in poor quality accommodation by purchasing our Welcome Pack. Our staff will greet you at the Airport, check all your arrangements and then transfer you to your accommodation. Wander through to our office at the rear of the concourse. If you have a preference where you'd like to stay let us know and we'll do our best to get you in there. If it's not available we'll book you into one of the others. They are all good. As these properties are often busy we recommend you also book your accommodation for when you return from the Yasawas, prior to departing Fiji.

You can also book a 'Departure Pack' which includes transfers from Denarau Marina to your accommodation, one nights accommodation and a cooked breakfast (prices as per Welcome Pack).

Welcome Pack includes:

Meet and greet at the airport by Awesome Adventures staff.

Transfer to your accommodation.

First night at one of these great properties.

'Awesome cooked breakfast'.

For prices please see 'Welcome Pack' on the Price Pages at back.

ISLAND HOPPING BULA & COMBO PASSES

The Bula Pass

VESSEL TRANSFERS

If you are a bit of a freestyler then this is a good way to explore the idyllic Yasawa Islands with a 7, 14 or 21 day unlimited island hopping pass on board the vessel 'Yasawa Flyer'. There are 12 islands in the chain of 20 that have accommodation on them. There are some 31 island resorts operated by villagers dotted throughout the islands. They vary in standard, setting, style and the attractions the local area offers but they all have one thing in common - hospitality in that warm, genuine way unique to Fiji. The Bula Pass offers the freedom to explore the Yasawas as you choose.

The Bula Combo Pass

VESSEL TRANSFERS & ACCOMMODATION

The 'Combo Pass' is an extension to the 'Bula Pass' providing an easy, hassle free way to pay for both your accommodation AND transfers before you leave the mainland but it still gives you the freedom to explore the islands you choose when you choose. PLEASE NOTE: This is freestyling travel and there are often times when the most popular properties are FULL. You must have a printed confirmation of your booking to be allowed to disembark at a resort. If you want to be sure of where you are staying then we recommend you book an Awesome Package.

Combo Pass Accommodation

The properties listed on this page accept the Awesome 'Combo Pass'. They are all properties that we feel offer a better standard of accommodation, comfort and service in the Yasawas. Some of the superior, more expensive properties will require additional payment for meals and/or accommodation. The additional meal costs are paid directly to the resort and additional

How the pass works:

- Your pass is valid for one return journey from Denarau Marina to the Yasawas and the Mamanucas then hops between resorts and islands (one 'hop' per day) for the consecutive number of days designated. The pass is valid from the first day it is used until the 7th, 14th or 21st day thereafter.
- **Whilst all travel is paid for, reservations must still be made for all transfers at least 24 hours prior and accommodation MUST be booked before disembarking the Yasawa Flyer.** Bookings can be made on board or contact Awesome Adventures from your resort phone (Fiji) 675 0499.
- We'll provide you with a Bula Pass guide with all the essential information to make the most of your holiday. In some cases resorts off the main route charge extra for transfers to/from our vessel. Check when making bookings.

accommodation costs are paid to Awesome Adventures. Bear in mind a number of properties don't accept credit cards or travellers cheques - just cash, so make sure you take some cash with you just in case you want a cocktail or two.

2. Awesome Adventures provide complimentary transfers from most Nadi/Denarau area hostels and hotels to Port Denarau Marina, but clients must book in advance.

3. The **'Bula Pass'** and **'Bula Combo Pass'** are valid for one return journey to the Yasawa and Mamanuca Islands and to hop between resorts and islands (one 'hop' per day). Extra nights can only be purchased in conjunction with a 'Bula Combo Pass' for travel on consecutive days after the pass expires.

NOTE: The Bula and Bula Combo Passes become invalid for travel when you return to Denarau. Both passes are not transferable.

4. Package prices are per person. Prices listed as 'Twin/Double' are per person based on 2 people sharing a room or bure.

5. All prices for Fiji Packages (pages 1-21) are in the currency as stated on the Price Pages; all prices for OZ Packages (pages 22-25) are

in Australian dollars, and include taxes where applicable.

6. Where an additional price is shown under 'Meals' these rates are per person per night in Fijian Dollars and include 3 meals per night stayed. The meal package must be taken as there are no alternative dining places. The cost should be paid directly to the resort in Fijian dollars on check in.

Where 'a la Carte' is shown, meals are at your own cost and paid directly to the resort.

8. Awesome Adventures reserves the right to cancel departures, alter prices, apply a fuel surcharge, arrange alternative transport, accommodation and vary itineraries and services if necessary.

9. All transfers are subject to sea and weather conditions. Should adverse conditions prevent operation the client is responsible for their own additional accommodation costs.

10. Where another company or persons operate the tour, diving, activity or

accommodation Awesome Adventures is only acting as a Sales Agent. Responsibility for the operation and liability for any mishap lies with those operators solely and not with Awesome Adventures.

11. **Cancellation fees:** No show or less than 24 hours - 100%, less than 48 hours - 50%, 2-7 days notice - 20%.
