Food Tours

Our Evening Food Tour by Bike is our newest tour! We focus this tour on the neighbourhoods of Fitzroy, Collingwood and the CBD to take you to some of our favourite places.

Throughout the ride you will enjoy a progressive three-course meal as we will stop in at a variety of places that we love. We always support places that are locally owned, proud of their food, and of course, our favorites.

Relaxing, nicely-paced, and fun-this tour is the perfect addition to any day in Melbourne. With the food included, it's amazing value!
